The MOM Advantage Glossary of Terms

60-Day Money Back Guarantee

Modern Office Methods Inc. (MOM) grants a 60-Day Money Back Guarantee from the date of delivery on any office system acquired from MOM. This gives you the opportunity to evaluate not only MOM's products, but also our service and support. If you use our product for 60 days or less and it does not operate as represented by MOM and the manufacturer, notify our Client Loyalty Manager, c/o Modern Office Methods, 4747 Lake Forest Dr., Cincinnati, OH 45242, in writing. If we are unable to get the equipment to perform as represented within 60 days, return the product to MOM and we will give you a full refund, less any shipping, installation, and connectivity charges. Three (3) cents per black and white image and twenty (20) cents per full color image will be charged for each copy/image made.

Absolute Satisfaction

When you acquire any product from MOM, you must be absolutely satisfied with its performance or MOM will replace it with an identical or similar machine at your written request. This guarantee is good for the term of your MOM finance agreement or for 36 months on a cash purchase, as long as the equipment has been continuously covered by our Guaranteed Maintenance Agreement (GMA) and has used MOM approved supplies for the term of ownership. This guarantee is not applicable to equipment that has been damaged, neglected, or abused by usage beyond the manufacturer's recommended performance rating.

Free Loaner

If your product (installed within 50 miles of an authorized MOM service facility) is out of service for more than 12 normal working hours and is covered by a MOM Guaranteed Maintenance Agreement, MOM will provide a free loaner. This offer for a free loaner is available for five (5) years from the date of original installation. The model provided as the loaner machine is determined by MOM.

Toll-Free Helpline

Any questions or problems concerning your equipment that occur during normal working hours (8:00 a.m. to 5:00 p.m. Monday - Friday, except holidays) should be directed to MOM's service department at 1-800-345-3888. An after-hours, toll-free helpline for your Lanier equipment is available at 1-800-333-2679 to assist you by providing emergency operating instructions for most difficulties as well as advice for making minor adjustments. The helpline is available between 5:00 p.m. and 8:00 a.m. Eastern Standard Time, Monday - Friday, and 24 hours on holidays and weekends.

Website Assistance

For assistance with service and driver downloads, MOM, Lanier, Konica Minolta, and Riso have internet sites for your convenience.

Guaranteed Performance

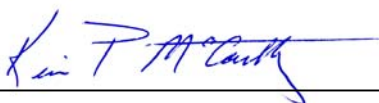

Provided the product is covered by our Guaranteed Maintenance Agreement and uses MOM approved supplies, MOM guarantees continuous performance during 98% of the work time per year if the equipment is located within 35 miles of the service department, or 95% if the equipment is located more than 35 miles from our office (based on a 40-hour week). If MOM fails to maintain uptime during a 12-month period, you will receive a free base maintenance contract for the next 6 months, excluding meters and supplies, if applicable.

Certified On-Site Service

MOM guarantees the availability of manufacturer-certified service personnel during regular working hours to repair and maintain your equipment in all locations within MOM's area of service responsibility. Our team of Field Service Engineers and Microsoft Certified Service Engineers will call your office within two hours of receiving your service request. Our goal is to solve your issue in the most efficient manner. If the problem is simple, we can solve it over the phone. If the problem requires on-site service, we will give you our approximate arrival time. We feel that communication between our clients and our service team is critical to your continued satisfaction with our performance.

Contract Flexibility

Any system acquired through a MOM Finance, Cost Per Copy, or Copy Management Program includes protection from pre-payment penalties in the event the system is upgraded or replaced with a new MOM system. Protection applies to MOM Finance or Cost per Copy/Copy Management clients only.
